WORK EXPERIENCE

Product Manager

CXtec, Syracuse NY (remote)

SEPTEMBER 2023 – PRESENT

- Led end-to-end structured cable product launches, tightening delivery schedules, coordinating cross-functional teams, and managing vendor/client alignment to ensure on-time deployment readiness.
- Developed training programs and product-knowledge resources that improved onboarding speed and strengthened customer-facing communication, contributing to faster adoption across internal and external users.
- Streamlined operational workflows and rebuilt documentation systems, improving cross-team accuracy and reducing project overhead by introducing standardized processes, clearer ownership, and repeatable delivery templates.
- Managed customer-facing content and product lifecycle materials, ensuring timely updates, stronger version control, and clearer product narratives that improved stakeholder alignment and support effectiveness.

Project Coordinator

VDI Inc, Syracuse NY

AUGUST 2022- SEPTEMBER 2023

- Coordinated timelines, budgets, documentation, vendor communication, and customer requirements for project delivery.
- Conducted domestic and international QC checks, including on-site audits in China.
- Maintained tracking reports and facilitated communication across project teams.
- Handled customer updates and issue resolution across multiple high-priority projects.

Assistant Coach & Recruiting Coordinator

University of Tulsa, Tulsa, OK

AUGUST 2021 – JULY 2022

- Developed structured training programs and performance plans.
- Tracked performance and academic data, creating individualized improvement plans.
- Managed documentation and compliance for international athletes (F-1, SEVIS).
